

Debiopharm Life Sciences Award 2011

The President of the Swiss Federal Institute of Technology in Lausanne (EPFL), the Dean of the EPFL School of Life Sciences, and the Executive Board of Debiopharm Group are pleased to invite applications for the **Debiopharm Group Life Sciences Award**.

The Sponsor, Debiopharm Group™, is a Swiss biopharmaceutical company that focuses on the development of prescription drugs that target unmet medical needs.

In 2011 the annual awards will be given to investigators in the field of

CANCER RESEARCH

The prize will honor a **European investigator** below the age of 45 who has made outstanding contributions in the area of **basic or translational oncology**.

It consists of a total of **50'000 CHF**, of which one fifth is a personal award, while the rest will contribute to support the awardee's research at his/her home institution.

The award will be handed over on the occasion of the Annual EPFL Life Science Symposium "Hallmarks & Horizons of Cancer" to be held 7-10 September 2011 (for more information please visit <http://isrec2011.epfl.ch>).

Candidates are invited to submit their applications no later than **May 1st, 2011**. A Jury of internationally renowned scientific experts will evaluate the applications. The dossier should be comprised of:

- a one-page endorsement letter by the home institute describing the importance of the nominee's contribution to this field
- her/his curriculum vitae,
- her/his list of publications,
- a one-page outline of her/his plans for future research.

All dossiers are to be sent, exclusively in electronic format and in the form of one single "pdf" file, to: harald.hirling@epfl.ch
